Subject: Request for Confidentiality
FCC ID: OUC60000360

To Whom It May Concern:

In accordance with §0.459 of CFR 47, Omron Automotive Electronics Inc requests
confidentiality for the following items

1. Block Diagram (Exhibit 4)
2. Schematic Diagram (Exhibit 5)
3. Part List (Exhibit 10)
4. Operational Description (Exhibit12).

These items contain detailed system and equipment description and related information about the product which Omron Automotive Electronics Inc considers to be proprietary, confidential and a custom design which otherwise would not be released to the general public. Since this design is a basis from which future technological products will evolve, Omron Automotive Electronics Inc also feels that this information would be of benefit to its competitors, and that the disclosure of the information in these exhibits would give our competitors an unfair advantage in the market.

Best Regards,
