Re: Request for Confidentiality per Section 0.459 of FCC Rules

Applicant: TranSystem Inc.
FCC ID: OUPP07-1111-2

Dear Mike,

On behalf of my client TransSystem Inc., I am requesting that the following documents be withheld from routine public view:

Schematic
Block diagram
Theory of Operation

TranSystem has invested considerable time and effort in designing the referenced product, and disclosure of these documents would afford other manufacturers an unfair competitive advantage were they to produce a similar product.

If you have questions or need further information please don't hesitate to call.

Sincerely,

T.N. Cokenias
Agent for TranSystem Inc.
