2016.01.21

Subject: Label location for Kamstrup flowIQ 2100 and fccid OUY-FLOW2100-3C
To Whom It May Concern:

The product is smaller than the palm of the hand (label area Ø7,3 cm – see above). In order to obtain a label with a readable size, the FCC ID is printed on the label (see example below) and the compliance statement is printed in the user manual as mentioned in FCC part 15.19(a)(3).

Please contact me if there is any information you may need.

Sincerely,

Kamstrup A/S

Bjarne Lund Jensen
