Re: Request of Confidentiality for FCC ID: OVFKWC-K24B

To Whom It May Concern:

Pursuant to Sections 0.457 and 0.459 of the Commission's Rules (CFR 47), Kyocera Wireless Corp (KWC) hereby requests confidential and treatment of information accompanying this Application. The materials contain trade secrets and proprietary information not customarily released to the public. The public disclosure of these matters might be harmful to the Applicant and provide unjustified benefits to its competitors.

We are also requesting Short-Term Confidentiality as outlined in Public Notice DA 04-1705. This provision will give KWC Temporary Confidentiality of commercially sensitive information prior to product launch.

The requested Confidential and Temporary Confidential exhibits are listed in table 1 below:

Table 1. Confidential and Short-Term Confidential		
	Exhibit	Description
Confidential	1	Operation Descriptions
	2	Block diagrams
	3	Schematics
	4	Parts Lists
	8A	Internal Photo under the shield
	12	Tune Up Procedure
Short-Term Confidential	5	Instruction Manual
	7	External Photos
	8	Internal Photos
	13	Test Set Up Photo

The Exhibit 8A contains internal photos showing the RF components are under the shield and the opening of this area would cause the device unusable; therefore this information is not customarily released to the public.

The Applicant understands that pursuant to Rule 0.457, disclosure of this Application and all accompanying documentation will not be made before the date of the Grant for this Application.

Sincerely,

Christy Le
