VOID if tampered

MADE IN THE USA of US
and imported components
Kyocera Wireless Corp.

The image shows the back of a silver mobile phone with its battery cover removed. The battery compartment is visible, and a black arrow points to a small circular mark on the battery cover. The battery cover has a blue label that reads "VOID IF TAMPERED". The battery itself is visible, with a label that includes a barcode and the text "A60Y---T68FR D065374A 172358 V-081708-C01-61".
