Re: Change of Identification Authorization, Original FCC IS: TRJED8800.

Date: 14 June, 2006

Dear Madam or sir:

This letter grants authorization for representative of Kyocera Wireless Corp. to apply to the FCC for a change in identification as specified under 47 CFR2.933 of the FCC rules. This authorization applies to Yestelkorea Co. LTd. model ED-8800, FCC ID TRJED8800, granted on 11/15/02005. The equipment is electrically identical and the only change being the labels on the device. The original test results continue to be representative of and applicable to the changed equipment.

This letter of authorization might also be used to use all the technical information related to the product.

This letter of authorization can also be used to obtain Canadian IC certification and Australian C-tick approval.
