

SE159:Class II Permissive Change Application

Model : SE159

FCC ID: OW7-SE159

IC: 10525A-SE159

Version : 1.0

2013-05-13

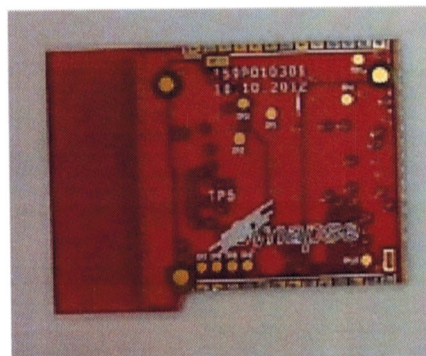

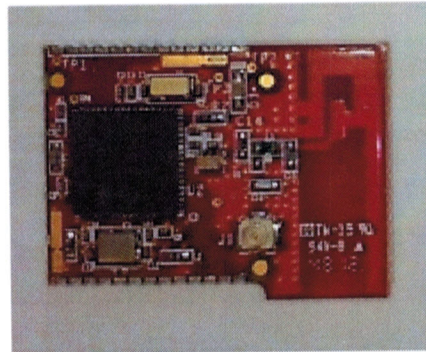

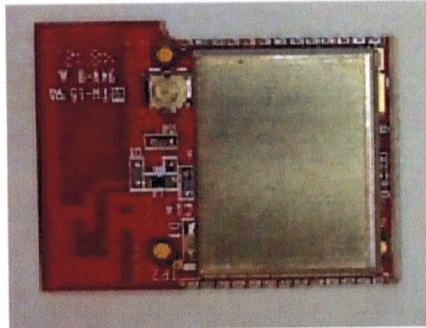

1 Modifications performed

- We've changed the width of the antenna, it result in a decrease of the PCB width at the PCB antenna location
- We added a PI termination network for the PCB antenna.

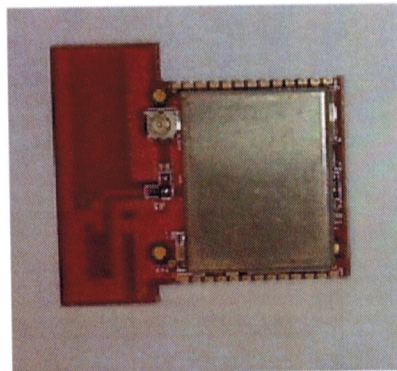

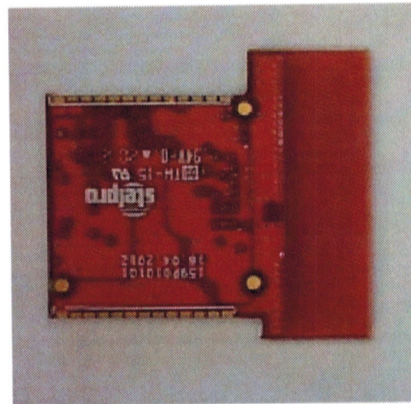

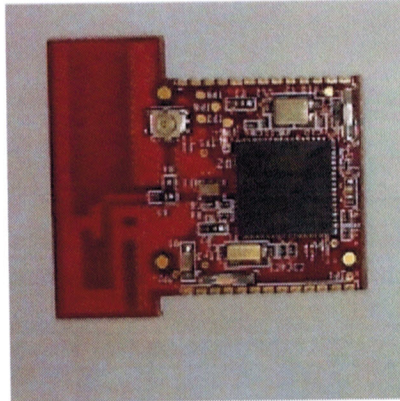

A handwritten signature in blue ink, reading "Louis J. J. J.", is positioned in the lower center of the page. The signature is fluid and cursive, with a long horizontal stroke extending from the first 'L' across the top of the name.
