SECTION	PAGE
No table of figures entries found.	

1. Description/Purpose

Product markings layout overview for the GT2 product line providing examples for wireless certifications. Marking layouts describe content only. Graphical layouts, positioning, and formatting are considered not in scope of control of this document.

2. Scope

These markings examples are limited to the GT2 product line and their respective wireless certification processes only.

3. Process, Procedure, or Specification Owner

This specification is owned and maintained by the Hardware Development group.

4. External Photo Listing
