Re: FCCID: OWDTR-0041-E

Dear Sir or Madam:

This is a FCC Part 90, Part 22, and Part 74 Original Equipment application for the M/A-COM UHF MASTRIII Base Station. It operates between 450 MHz and 512 MHz. The FCCID of this equipment is OWDTR-0041-E.

Please call me or write if you have any questions or comments.

Regards,

Denis Lalonde
