RE: FCC Permissive II Change Request for Company: Willis Electric Co., Ltd. FCC ID: OXGAL69-TX

We are submitting an application for a class II permissive change to the FCC approval of the Company name: Willis Electric Co., Ltd., product description: Garden Laser Projector (FCC: OXGAL69-TX, Original Grant Date: 03/06/2016). The transmitter module itself has not changed. Here are the changes:

1. The model name AL69-TX is changed into AL69-TX_A1.
2. The product reduced two buttons, one is "Exit", and another is "B", these changes only base on the shell. Please refer to the "External Photos" or "User Manual" in detail.
3. The software had been changed (Only the pusle wide and transmitting time had been changed).

Sincerely,
