Product Name	Frequency Range	Maximum EIRP Power(dBm) (EU)	Working distance
Wireless Keyboard : AKB873	2400-2483.5MHz	-6.7dBm	10M
Wireless Receiver: AKB873R	2400-2483.5MHz	-0.9dBm	10M

Targus EcoSmart™ Fullsize Wireless Keyboard

Installing the Battery

1. Insert the AAA batteries, making sure that the positive (+) and negative (-) ends of only one battery match the polarity indicators inside the battery compartment.

2. Close the battery cover, carefully fit the cover until it clicks into place. Use the **Power switch** to power the keyboard on or off. Turn OFF to save battery power.

Power switch

3. When the battery is low , the low power LED will flash to indicate the batteries need to be replaced.

LED for Low Power

NOTE: THE BATTERY WILL NEED TO BE IN THE SECURE, LOCKED POSITION BEFORE THE BATTERY COVER CAN BE PUT BACK IN PLACE.

Bluetooth pairing

1. Turn on the keyboard by sliding the power button to the ON position. The 3 wireless channel LEDs  will be lit for 3 seconds and then one will begin flashing for up to 3 minutes as the keyboard automatically attempts to pair the 1st Bluetooth channel to your device.

2. Switch ON the Bluetooth function of your device and turn on Bluetooth search mode.

3. Select "EcoSmart Keyboard" in the bluetooth menu on your device.
4. Pairing will start automatically. Once the Targus EcoSmart Keyboard is connected to your device the LED will stop flashing.
5. To pair an additional device or replace a paired device, press and hold one of the two Bluetooth channel keys for 5 seconds to enter Bluetooth pairing mode.
6. Press the Bluetooth channel keys  to switch between devices once multiple devices have been paired.

Establishing the Connection of 2.4GHz Wireless

- (A) Remove the USB receiver from the keyboard.

- (B) Plug the USB A receiver into an available USB A port on your computer.

- (C) Short press the key  to enter 2.4G mode, then the white LED indicator will light up and pair automatically.

Help with setup: Keyboard is not working

- Restart your device and Power off/on your keyboard.
- Press the wireless channel keys    to choose your connection.
- After pairing for the first time, your device will automatically connect to the keyboard within 3-5 seconds the next time you turn on the keyboard.
- In case of connection failure, delete the keyboard from the bluetooth menu of your device, and try re-pairing the keyboard to your device.

Power saving mode

When paired, the keyboard will enter into sleep mode after being idle for 10 minutes. To activate the keyboard, press any key and wait 3 seconds. If unpaired, the keyboard will enter sleep mode after 2 minutes.

Warranty

2 YEAR LIMITED WARRANTY

PORTUGAL and SPAIN CUSTOMERS: 3 YEARS LIMITED WARRANTY
OR AS REQUIRED BY LOCAL LAWS

We pride ourselves on the quality of our products. For complete warranty details and a list of our worldwide offices, please visit www.targus.com

Features and specifications are subject to change without notice. All trademarks and registered trademarks are the property of their respective owners. All rights reserved.
©2023 Manufacturer: Targus International LLC, 1211 North Miller Street, Anaheim, CA 92806; Importer: Targus Europe Ltd., Fourth Floor, One London Road, Staines, TW18 4EX, UK

Australian And New Zealand Consumers Only

Thank you for your purchase. Targus warrants to the original purchaser that its products are free from defects in materials and workmanship and, during the specified warranty period, and lasts as long as the original purchaser owns the product. The warranty period is stated on the packaging or in the documentation provided with this Targus product. Targus' Limited Product Warranty excludes damage caused by accident, neglect, abuse, misuse, improper care, normal wear and tear, ownership transfer, or alteration. The limited warranty also excludes any product that is not manufactured by Targus (including, without limitation, laptops, smartphones, devices, tablets, or any other non-Targus item) that is used in connection with the Targus product.

In the event that the Targus product has a defect in materials or workmanship Targus will, after receiving a warranty claim and inspecting the product, at its discretion, do one of the following: repair, replace, or refund with the same or a similar product (or part) of no lesser quality and ship it to the original purchaser at Targus' expense. As part of this inspection, proof of purchase will be required. There is no charge for inspection. To make a warranty claim, please contact Targus Australia or New Zealand (see details below), or return the product to the place of purchase. The original purchaser must bear the cost of the delivery to Targus.

Under Australian and/or New Zealand Consumer Laws, in addition to any warranty Targus gives, our products come with guarantees that cannot be excluded. You are entitled to a replacement or refund for a major failure and compensation for any other reasonably foreseeable loss or damage. You are entitled to have the products repaired or replaced if they fail to be of acceptable quality and the failure does not amount to a major failure.

For any warranty question, contact Targus Australia Pty. Ltd. (i) by mail at Suite 2, Level 8, 5 Rider Boulevard, Rhodes NSW 2138, by phone AUS 1800 641 645 or NZ 0800 633 222 or by Email: infoaust@targus.com. For additional information, check out our website at targus.com/au/warranty.

Regulatory compliance (applicable to products with electronic circuitry/parts only)

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

FCC statement Tested to Comply

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications.

However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one or more of the following measures:

- Reorient or relocate the receiving antenna.
- Increase the separation between the equipment and receiver.
- Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.
- Consult the dealer or an experienced radio/TV technician for help.

IC statement

This device contains licence-exempt transmitter(s)/receiver(s) that comply with Innovation, Science and Economic Development Canada's licence-exempt RSS(s). Operation is subject to the following two conditions:

1. This device may not cause interference.
2. This device must accept any interference, including interference that may cause undesired operation of the device.

Déclaration IC

L'émetteur/récepteur exempt de licence contenu dans le présent appareil est conforme aux CNR d'Innovation, Sciences et Développement économique Canada applicables aux appareils radio exempts de licence. L'exploitation est autorisée aux deux conditions suivantes:

1. L'appareil ne doit pas produire de brouillage;
2. L'appareil doit accepter tout brouillage radioélectrique subi, même si le brouillage est susceptible d'en compromettre le fonctionnement.

Declaration of conformity

Hereby, Targus, declares that this device is in compliance with the essential requirements and other relevant provisions of Directive 2014/53/EU.

Targus recycling directive

At the end of this product's useful life please dispose at an appropriate recycling collection point provided in your country.
