

FCC/IC Label

The image shows a black, rectangular electronic device, possibly a power supply or a small computer component, resting on a light-colored surface. The device has a matte finish and a small, illegible label on its top surface. A bright cyan rectangular box is superimposed over the front of the device, containing the text "FCC/IC Label". The background is cluttered with various items, including a yellow box, a tube of glue, and some wires.
