Re: Preco PreView Model PV2000
Request for withholding from public disclosure proprietary information submitted
pursuant to an application for certification.
FCC ID: OXPV2000

To Whom it may Concern:

Preco Electronics requests that certain materials submitted with this application for certification of Model PV2000 are withheld from public disclosure. This request is made under the provision of 47CFR Section 0.457(d) of the Commission's Rule and Section 552(b)(4) of the Freedom of Information Act, Trade Secrets.

The items listed below contain detailed schematic diagrams submitted to the FCC for review with this application. These schematics contain proprietary information regarding the circuit operation and capabilities that are the result of Preco's extensive investment in research and development. Without the disclosed information, competitive organizations would take considerably more time to assess and develop a competitive product.

We therefore formally request that the materials listed below be kept strictly confidential and not made available for inspection by any other party, except on a need to know basis for the sole purpose of the certification process.
