To Whom This May Concern:

Neptune Technology Group respectfully requests confidentiality of certain materials provided with the submission of the CMIU-ATT under FCC ID: P2SCMIU-VZW-1 in accordance with 47 CFR 0.457(d) and 47 CFR 0.459. The confidentiality request applies to the following exhibits:

16-3031 – Theory of Operation.pdf

The CMIU-ATT has been developed at considerable effort and expense by Neptune Technology Group. These items are considered as Trade Secrets and therefore public access to the proprietary material could possibly result in duplication of equipment that could severely damage the company's business advantage.

I appreciate your assistance in this matter.

Sincerely,

A handwritten signature in black ink that reads 'R. Sam Wismer'.
