Dear Ms. Helen,

Thank you for your cooperation and kindness.

Regarding the Assessment no. AN06T6097, we would like to inform you as follows,

Question #1: The user manual indicates: "This equipment has been tested and found to comply with Part 15 of the FCC Rules." But based upon FCC15.105, you need to specify "to comply with the limits for a Class A or Class B digital device..." Please update the user manual.

---> Please refer to attached revised manual.

Question #2: The device shown in the user manual is not the same in the external photos. The placement of I/O ports is different. Please check if you have submitted the correct user manual.

---> Please refer to attached revised manual.

If you have any question, please feel free to contact us.

Thank you and have a great day!

Best Regards,

S. C. Hong / Project Engineer
