SUBJECT: Confidentiality Request for SpotCell 163 IDEN CU (800MHz), FCC
ID P3YSPOTCELL0010, Design Information.

To Whom It May Concern:

This letter serves as an official request for confidentiality under FCC Rule Section 0.459. We have requested that the items described below, required to be submitted with this application be withheld from public review.

1. The FCC ID number for this product is P3YSPOTCELL0010 for CU (Coverage unit).
2. Spotwave Wireless requests that the following information submitted as part of a request to the F.C.C. for approval to operate the equipment remain confidential.

CU schematics 230-00007-01(00h) Pages 1 to 10

CU Bill of Materials (BOM) 230-00007-01(00H)_BOM Pages 1
to 6 or all pages if page adjusted.

Block Diagram 761-00008-01 (03) page 1 to 8

3. The above documents are classified by Spotwave Wireless as company confidential data and are not in the public domain. Disclosure of the listed information in whole or in part would compromise the IP protection strategy for Spotwave wireless.

4. The above documents are stored in a secure development laboratory with restricted access. Only employees, sub-contractors and consultants who have signed a non-disclosure agreement with Spotwave Wireless are allowed or have had access to these documents, and only on a need-to-know basis. This information has never been shared with the public or indeed potential customers of Spotwave wireless.
5. Spotwave Wireless maintains these documents at a company confidential classification because they contain the detailed information on the implementation of the company's Intellectual Property. Specifically design information relating to custom components that is otherwise unavailable could be obtained using this data. The dissemination of this data would therefore severely damage the company's competitive advantage in the wireless market.
6. This market is a highly competitive one, with many other companies offering coverage enhancement products that do not currently embody characteristics or features that are enabled by the Spotwave Wireless IP.
7. Spotwave Wireless requests that this data is maintained as confidential for a period of 5 years, as this is compatible with the anticipated life-time of the product, and will therefore be sufficient to prevent competitive harm to the company.
8. A copy of the Spotwave Wireless standard non-disclosure agreement is provided for reference.

Michael J. Roper
