

Attestation for Electrically Identical AC adapters

FCC ID: P46-UMX35INT

Date: May 31, 2016

Please be notified that we, the undersigned, SHENZHENSHI JINGRICHANG ELECTRONIC TECHNOLOGY CO.,LTD, declares that the AC adapters which will be shipped with the product that bears the above FCC ID will have 2 model names, JT-H050050 and JT-M05050, with the differences between the 2 being what are listed below, and the 2 models are electrically identical.

The differences between the 2 models are

- Only Model name

We use two model names in one product because JT-H050050 and JT-M05050 was sold to different clients, one client required JT-H050050 as model for America market and FCC certification, but the other client required JT-M05050 as model name for USA market and UL certification. We, SHENZHENSHI JINGRICHANG ELECTRONIC TECHNOLOGY CO.,LTD, declare the only different between AC adapter JT-H050050 and JT-M05050 is model name.

Sincerely,
