EXPORT CONTROLS

This product contains commodities, technology or software exported from the United States in accordance with the Export Administration regulations. Diversion contrary to U.S. law is prohibited.

FCC/INDUSTRY CANADA NOTICE

Your terminal may cause TV or radio interference (for example, when using a terminal in close proximity to receiving equipment). The FCC or Industry Canada can require you to stop using your terminal if such interference cannot be eliminated. If you require assistance, contact your local service facility. This device complies with part 15 of the FCC rules. Operation is subject to the following two conditions: (1) This device may not cause harmful interference, and (2) this device must accept any interference received, including interference that may cause undesired operation.

OEM LABELING

A label must be affixed to the outside of the end product into which the authorized terminal is incorporated, with a statement similar to the following: This device contains TX FCC ID: P4JTME-4"
