Subject: ZIPPY TECHNOLOGY CORP. , FCC ID: P4PBY726, Assessment NO.: AN06T6086, Notice#1

Question #1: Please revise the test report in the following areas:

a) Based upon most current FCC15.247(a)(1)(iii), "Frequency hopping systems in the 2400-2483.5 MHz band shall use at least 15 channels." Please update section 7.5.

Ans: The section 7.5 had been revised.

b) Page 25 shows a plot of "Number of pulse in 0.316 seconds", if it is the case, the final result should be: 100 x 32 x 0.255ms, instead of 10x32x0.255ms, which result a failure. Please make necessary correction.

Ans: Page 25 had been revised to 3.16ms.

Best Regards,

Helen Zhao

The items indicated above must be submitted before processing can continue on the above referenced application. Failure to provide the requested information within 30 days of the original e-mail date may result in application dismissal and forfeiture of the filing fee. Also, please note that partial responses increase processing time and should not be submitted. Any questions about the content of this correspondence should be directed to the e-mail address listed below the name of the sender.
