Declaration

FCC ID: P7QRM-980V, IC: 4299A-RM980V, Model: Signature Touch

We hereby declare that the only difference between Type: RM-980V and Type: RM-980C is the LTE function. The LTE function on Type: RM-980C is permanently disabled by the embedded software and cannot be enabled/overridden by the end users via any other means. Full test is performed only on Type: RM-980V and the test result is representative to show the compliance of Type: RM-980C regarding to RF/SAR/EMC requirements.

Sincerely yours,

A handwritten signature in black ink, appearing to read 'M. C. Pope', written over a horizontal line.

Mark Pope
