Request for Confidentiality

Date: May 26th, 2026

Federal Communications Commission
Authorization and Evaluation Division
7435 Oakland Mills Road
Columbia, Maryland 21046

Subject: Confidentiality Request for: FCC ID P9R-BCN

Pursuant to FCC 47 CFR 0.457(d) and 0.459, the applicant requests that a part of the subject FCC application be permanently held confidential.

Permanent:

- Block Diagrams
- Operation Description/Theory of Operation
- Schematics
- Bill of Materials

Short Term:

- External Photos
- Internal Photos
- User's Manual

MSA Innovation, LLC has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship.

Permanent Confidentiality:

The applicant requests the exhibits listed above as permanently confidential be permanently withheld from public review due to materials that contain trade secrets and proprietary information not customarily released to the public.

Short-Term Confidentiality:

The applicant requests the exhibits designated above as short-term confidential be withheld from public view for a period of 180 days from the date of the Grant of Equipment Authorization and prior to marketing. This is to avoid premature release of sensitive information prior to marketing or release of the product to the public. The applicant is also aware that they are responsible to notify Element in the event information regarding the product is made available to the public, Element will then release the documents listed above for public disclosure pursuant to FCC Public Notice DA 04-1705.

Sincerely,

By:

Principal Engineer I
