Re: FCC ID No.: PA4810082007E2537
Applicant: Eastman Kodak Company
Filed: October 20, 2000

Dear Ms. Washington:

Pursuant to 47 C.F.R. § 0.459, Eastman Kodak Company respectfully requests confidential protection of the following documents submitted electronically in furtherance of the above-referenced application as containing propriety information listed below:

Electrical Schematics and Component Lists.

8100_8700 Component List.doc
7E2535antenna.pdf
RFTAGREV307E2554.pdf
RFTAGREV307E2544.pdf
RFTAGREV307E2543.pdf
8100RFTAGREV32.xls
Transmitter/Receiver Board Schematic(s) (From Texas Instruments)

Product Specifications and Design Descriptions:

Antenna Design and Tuning1.pdf
96-0000-0211-1-B.pdf Service Manual
TRDCRefGuide.pdf

The reason for this request for confidentiality is that these documents contain Eastman Kodak Company and Texas Instruments proprietary and internal information and it is critical from a product technology and know-how standpoint (hardware and software) that this information remains confidential.

The information claimed as confidential is not available to the general public and has been shared with third parties only pursuant to a confidentiality agreement.

The test reports and other attachments of this application do not require confidentiality after the grant of the application.

Sincerely,

A handwritten signature in black ink, appearing to read "Donald R. Ellis, Jr.", with a long, horizontal, wavy line extending to the right.

Donald R. Ellis, Jr.
Director, Regulatory Affairs
Eastman Kodak Company
