Applicant: Vyvo Inc.
FCC ID: PBJV3000-A
Part 27 746-747 MHz A-Band Transmitter

To whom it may concern,

Request is hereby submitted, on behalf of my client Vyvo to withhold from public review certain portions of the application for equipment certification for the referenced FCC identifier per section 0.459 of the Rules. In particular, the following sections of the application and report are requested to be kept confidential:

Rationale for request for confidentiality:

Vyvo has invested considerable time and materials in research and development to produce the referenced product. Disclosure of the confidential portions of this application to competitors would give them competitive advantage in developing similar products.
