

EXHIBIT A - EUT EXTERNAL PHOTOGRAPHS

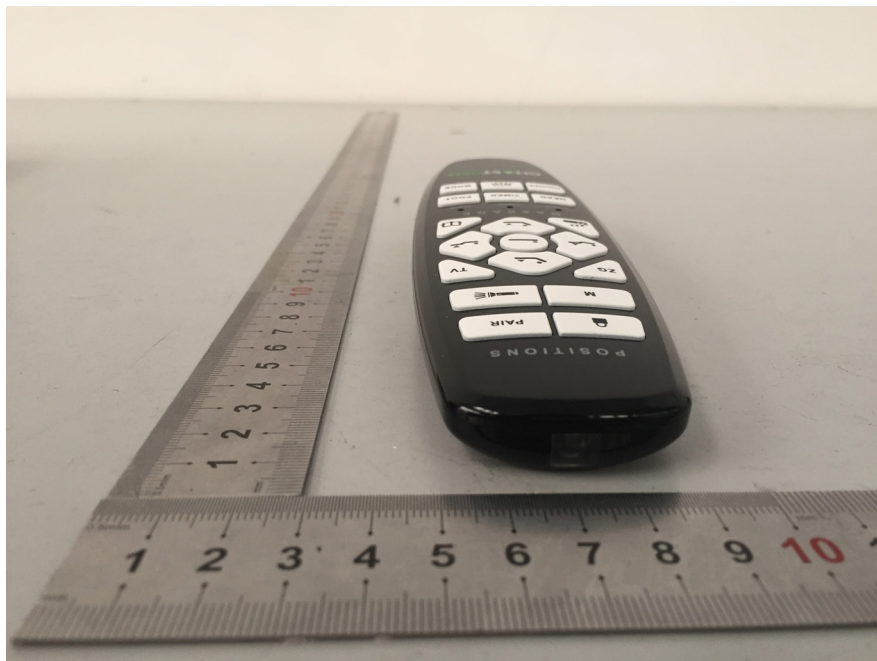

EUT – Top View

EUT – Bottom View

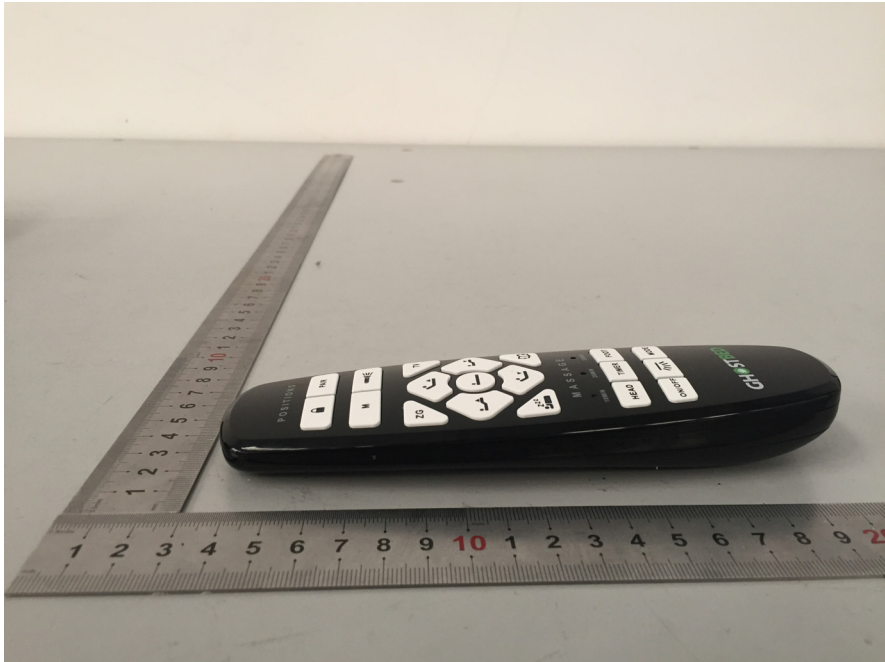

EUT – Front View

EUT – Rear View

EUT – Left View

A black remote control is shown from its left side, lying on a light-colored surface. A metal ruler is placed horizontally below the remote, and another ruler is placed vertically to its left. The remote features a standard numeric keypad, a directional pad, and several function buttons. The brand name 'GARLAND' is visible in green on the right side of the device.

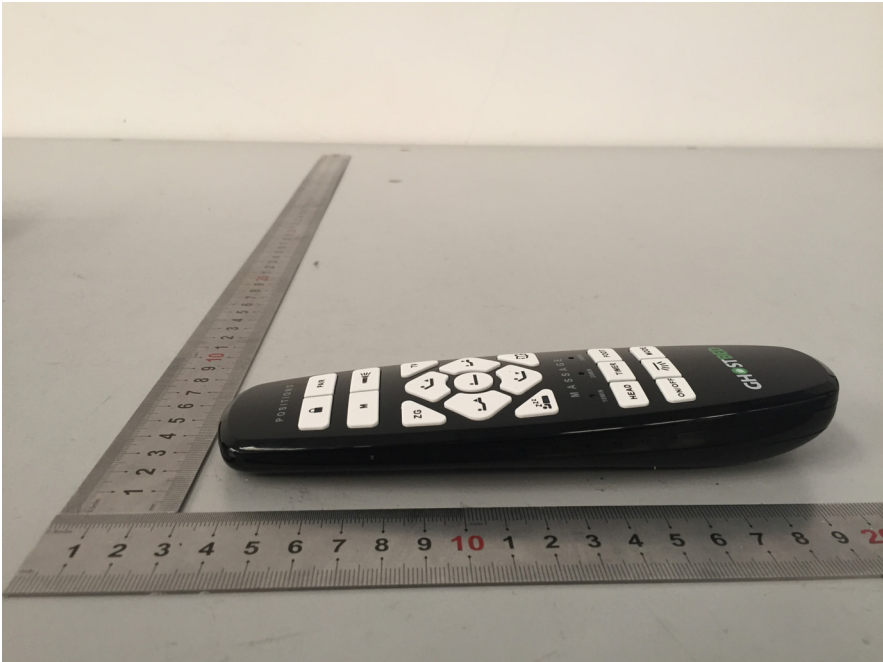

EUT – Right View

A black remote control is shown from its right side, lying on a light-colored surface. A metal ruler is placed horizontally below the remote, and another ruler is placed vertically to its left. The remote features a standard numeric keypad, a directional pad, and several function buttons. The brand name 'GARLAND' is visible in green on the left side of the device.

EUT – Left View

A black remote control is shown from its left side, lying horizontally on a light gray surface. A metal ruler is placed below the remote, with the 10 cm mark aligned with the left edge of the device. The remote features a standard numeric keypad, a directional pad, and several function buttons. The brand name 'GARMIN' is visible in green on the right side of the device.

EUT – Right View

A black remote control is shown from its right side, lying horizontally on a light gray surface. A metal ruler is placed below the remote, with the 10 cm mark aligned with the left edge of the device. The remote features a standard numeric keypad, a directional pad, and several function buttons.
