Software Security Attestation

FCC ID: PD97260NA
Model: Intel 7260M2NA

To Whom It May Concern,

This letter is to confirm there are no user controls or software provided that will allow critical radio parameters to be altered or changed to operate the device outside the authorized conditions or to allow operation outside the USA. We don't provide any controls or software to allow operation outside the USA for devices sold in the USA.

Sincerely,

Steven C. Hackett
Product Regulations Engineer
Wireless Platforms R&D
