Ref: FCC Class II Permissive change for FCC ID: **PD9AX201NG**

Dear Examiner,

This is to request a Class II permissive change for module approval FCC ID: **PD9AX201NG**, originally granted on **01/28/2019** and on 7/8/2022 for UNII-4.

Change #1: This change establishes portable category SAR conditions for the HP model TPN-W155 Convertible PC with PIFA antennas.

The WLAN TAS feature is enabled. The exact same WLAN authorized modules are reused in this notebook with the exact same TAS algorithm validation methods for time averaging SAR as approved by FCC.

Sincerely,

A handwritten signature in black ink, appearing to read "Benjamin Lavenant", written over a horizontal line.
