Subject: Request for withholding from public disclosure of schematics, block diagram, theory of operation and bill of material.

Gentlemen:

We, Intel Corporation at 2300 Corporate Center Drive, Thousand Oaks, California 91320 would like to request that the schematics, block diagram, theory of operation and bill of material submitted with the application for certification be withheld from public disclosure as per Section 0.459 of the FCC Rules. This request is made under the provisions of Section 0.457 (d) of the FCC Rules and Section 552 (b)(4) of the Freedom of Information Act. These sections authorize a withholding from public inspection materials, which would be privileged as a matter of law if retained by the person submitting them, and materials which would not customarily be released to public by that person.

Sincerely,
