XetaWave, LLC has spent substantial effort in developing this product and it is one of the first of its kind in industry. Having the subject information easily available to "competition" would negate the advantage they have achieved by developing this product. Not protecting the details of the design will result in financial hardship

Permanent Confidentiality:

The applicant requests the exhibits listed above as permanently confidential be permanently withheld from public review due to materials that contain trade secrets and proprietary information not customarily released to the public.

Sincerely,

By:

Gentlemen:

This is your letter of authorization to accept our appointment of National Technical Systems – Silicon Valley as our Agent for XetaWave, LLC, 258 South Taylor Ave, Louisville, CO 80027, to sign applications before National Technical Systems – Silicon Valley TCB and to make representations to you on our behalf. National Technical Systems – Silicon Valley is to receive and exchange data between our company and National Technical Systems – Silicon Valley TCB.

I certify that submitted documents properly describe the device or system for which equipment certification is sought. I also certify that each unit manufactured, imported or marketed, as defined in FCC and Industry Canada's regulations will have affixed to it a label identical to that submitted for approval with this application.

For instances where our authorized agent signs the application for certification on our behalf, I acknowledge that all responsibility for complying with the terms and conditions for Certification, as specified by National Technical Systems – Silicon Valley TCB, still resides with XetaWave, LLC.

I hereby certify on behalf of XetaWave, LLC ("Applicant") that neither Applicant nor any party to the application (officers, directors, and 5% shareholders) is subject to a denial of Federal benefits that includes FCC benefits pursuant to section 5301 of the Anti-Drug Abuse Act of 1988 21 U.S.C. 853a.

Sincerely,

Craig Held
