REQUEST FOR CONFIDENTIALITY

Littlefeet, Inc. is a start up company with an innovative design that will soon be offered for sale to the Telecommunications Industry. The documentation submitted to the FCC for Product Certification under 47CFR Part 24, describes and illustrates our design. We have patents pending and wish to prevent competition from copying our design before patents are in place to protect us.

The following documents are considered proprietary and company confidential. This request for confidentiality applies to the following documents.
