Dear Sir or Madam:

Dexcom, Inc. ("Dexcom"), in response to your correspondence of December 30, 2005, herein supplements its above-referenced pending application for new equipment authorization with the instant letter to provide signature information. Owing to an issue in the OET's equipment authorization filing system, Dexcom's application was inadvertently submitted prior to our opportunity to include the signature information. Accordingly, by this letter, Dexcom certifies that the individual identified below is permitted to file applications on behalf of Dexcom before the agencies of the Federal government, including the Federal Communications Commission.

Respectfully submitted,
