Federal Communications Commission
Equipment Authorization Division
Application Processing Branch
7435 Oakland Mills Road
Columbia, MD 21046

Attn: Federal Communications Commission Equipment Authorization

To Whom It May Concern:

Industrial Scientific Corporation would like to submit for a Class 2 Permissive Change to FCC grant PHH-RGX.

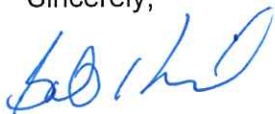

The following changes are to allow this Near Field Communications (NFC) device to operate collocated with an LTE Cat 1 4G cell modem from Airgain / Nimbelinek, FCC ID RI7LE910CXWWX. Radio operation of this device is not managed and transmissions could occur simultaneously. The addition of this modem does not affect the operation or compliance of this NFC device.

Please find in the following application all related documentation supporting this Class 2 Permissive Change Certification.

We appreciate your prompt attention to this submittal.

Please feel free to contact the undersigned if there are any questions or concerns.

Sincerely,

Bob Kuzmich
Staff Certification Engineer
