RE: CONFIDENTIALITY REQUEST FOR
TDK Bluetooth module "Go Blue Activation Kit", FCC-ID: PI4TDKGBACT

To Whom It May Concern:

This letter serves as an official request for confidentiality under the FCC Rule Section 0.459. We request that the schematic diagrams, PCB information, Parts list and Block, required to be submitted with this application, be withheld from public review. The reason for this request is that these documents are company proprietary information that should never get into the possession of competitors, which would be harmful for our business.

Do not hesitate to contact me if you have any additional questions.

Thank you very much.
