

United States of America
Department of Transportation -- Federal Aviation Administration
Supplemental Type Certificate

Number ST01447NY

This certificate issued to JetBlue Airways Corporation
80-02 Kew Gardens Road
Kew Gardens, NY 11415

certifies that the change in the type design for the following product with the limitations and conditions therefor as specified hereon meets the airworthiness requirements of Part 25 of the Federal Aviation Regulations.

Original Product -- Type Certificate Number : A28NM
Make : Airbus Industrie
Model : A320-200 Series

Description of Type Design Change:

Installation of Harris Ground Wireless Aircraft Data Link and partial power provisions for the installation of a Cabin Surveillance System (CSS) in accordance with Harris Master Drawing List Document No. 3092086-MDL, Revision B, dated January 30, 2002.

Limitations and Conditions :

1. The aircraft must be maintained in accordance with Harris Instructions for Continued Airworthiness Document No. 3092085, Revision B, dated January 31, 2002.
2. The equipment for which these partial power CSS provisions are intended has not been certified. Additional FAA approval is required for the installation of this equipment and must be evaluated to assure satisfactory compliance with the applicable airworthiness standards.
3. If the holder agrees to permit another person to use this certificate to alter the product, the holder shall give the other person written evidence of that permission.
4. Compatibility of this design change with previously approved modifications must be determined by the installer.

This certificate and the supporting data which is the basis for approval shall remain in effect until surrendered, suspended, revoked or a termination date is otherwise established by the Administrator of the Federal Aviation Administration.

Date of application : October 05, 2001

Date reissued :

Date of issuance : February 11, 2002

Date amended :

By direction of the Administrator
