Dear Sir,

Application for Grant of FCC Equipment Authorization

Please find enclosed a CD ROM that contains the Application Forms and Exhibits from Raymarine for our LifeTag Wireless MOB System. The information on the CD ROM has been organized into three main folders, as follows:

- FCC ID PJ5-LTB
- FCC ID PJ5-LTT
- Common Exhibits

Each of the first two folders relates to a product; LT Base Station and LifeTag, respectively, which are the components of the LifeTag Wireless MOB System. The contents of each comprise Exhibits containing:

- Circuits and Block Diagram
- External Photographs
- 731 Application Form
- Internal Photographs
- Label Details
- Parts List
- RF Exposure Statement
- Test Reports, which include Test Setup Photographs

The Common Exhibits folder contains a copy of this letter, a Request for Confidentiality, Manuals, Technical Description and Tune-Up Statement.

Please note that these applications are made under FRN **0013-3487-27**.

I believe the information provided should meet your requirements, but if you need any further information or clarification, please do not hesitate to contact me.

Sincerely,

Peter Bowen,
EMC Team Leader,
