

IMPORTANT: Read this document before using your product for the first time. Please also ensure that you have read and understood the **battery safety and care** information provided in the accompanying *Installation Summary* document.

Product installation and operation

This product must be installed and operated in accordance with the instructions provided. Failure to do so could result in personal injury, damage to your vessel and / or poor product performance. Raymarine highly recommends certified installation by a Raymarine approved installer. A certified installation qualifies for enhanced product warranty benefits. Register your warranty on the Raymarine website: www.bit.ly/rym-warranty

Potential ignition source

This product is NOT approved for use in hazardous / flammable atmospheres. Do NOT install in a hazardous / flammable atmosphere (such as in an engine room or near fuel tanks).

Maintain a permanent watch

Always maintain a permanent watch, this will allow you to respond to situations as they develop. Failure to maintain a permanent watch puts yourself, your vessel and others at serious risk of harm.

Disclaimer

Raymarine does not warrant that this product is error-free or that it is compatible with products manufactured by any person or entity other than Raymarine. Raymarine is not responsible for damages or injuries caused by your use or inability to use the product, by the interaction of the product with products manufactured by others, or by errors in information utilized by the product supplied by third parties.

IMO and SOLAS

The equipment described within this document is intended for use on leisure marine boats and workboats NOT covered by *International Maritime Organization (IMO)* and *Safety of Life at Sea (SOLAS)* Carriage Regulations.

Water ingress

Although the waterproof rating capacity of this product meets the stated water ingress protection standard (refer to the product's Technical Specification, as published in the online manual), water intrusion and subsequent equipment failure may occur if the product is subjected to high-pressure washing. **Raymarine will not warrant products subjected to high-pressure washing.**

UK Compliance statement

This product complies with the *Statutory Instrument 1206 Radio Equipment Regulations 2017*.

This product transmits within the frequency ranges of less than or equal to the power listed below:

- 2402MHz – 2480MHz less than 20 dBm

FCC RF Exposure

This product complies with the FCC (portable) RF exposure limits set forth for an uncontrolled environment. This product is safe for intended operation as described in this document. This Transmitter product must not be co-located or operated in conjunction with any other antenna or transmitter.

FCC Interference Statement (Part 15.105 (b))

This equipment has been tested and found to comply with the limits for a Class B digital device, pursuant to Part 15 of the FCC Rules. These limits are designed to provide reasonable protection against harmful interference in a residential installation. This equipment generates, uses, and can radiate radio frequency energy and, if not installed and used in accordance with the instructions, may cause harmful interference to radio communications. However, there is no guarantee that interference will not occur in a particular installation. If this equipment does cause harmful interference to radio or television reception, which can be determined by turning the equipment off and on, the user is encouraged to try to correct the interference by one of the following measures:

1. Reorient or relocate the receiving antenna.
2. Increase the separation between the equipment and receiver.
3. Connect the equipment into an outlet on a circuit different from that to which the receiver is connected.

Compliance Statement (Part 15.19)

This device complies with Part 15 of the FCC Rules. Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

FCC Warning (Part 15.21)

Changes or modifications to this equipment not expressly approved in writing by Raymarine UK Limited could violate compliance with FCC rules and void the user's authority to operate the equipment.

ISED RF Exposure

Radiation Exposure Statement: The product complies with US and Canadian exposure limits for portable RF devices set forth for an uncontrolled environment. This product is safe for intended operation as described in the product documentation. RF exposure reduction can be achieved by keeping the device as far from the user's body as possible, or by setting the device to a lower output power, if such function is available.

Déclaration d'exposition aux radiations: Le produit est conforme aux limites d'exposition pour les appareils portables RF pour les États-Unis et le Canada établies pour un environnement non contrôlé. Le produit est sûr pour un fonctionnement tel que décrit dans ce manuel. La réduction aux expositions RF peut être augmentée si l'appareil peut être conservé aussi loin que possible du corps de l'utilisateur ou que le dispositif est réglé sur la puissance de sortie la plus faible si une telle fonction est disponible.

Innovation, Science and Economic Development Canada (ISED)

This device complies with License-exempt RSS standard(s). Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation of the device.

This Class B digital apparatus complies with Canadian ICES-003(B) / NMB-003(B).

Innovation, Science and Economic Development Canada (ISED)

Cet appareil est conforme aux normes RSS sans licence nécessaire. Le fonctionnement est soumis aux deux conditions suivantes:

1. Cet appareil ne doit pas causer d'interférences nuisibles.
2. Cet appareil doit accepter toute interférence reçue, notamment celles susceptibles d'entraîner un dysfonctionnement de l'appareil.

Cet appareil numérique de la classe B est conforme à la norme NMB-003(B) / NMB-003(B) du Canada.

CE Operating temperature and compliance statement

Operating temperature: This product's operational temperature range is: -25°C (-13°F) to + 55°C (131°F).

Compliance statement: This product complies with the 2014/53/EU Radio Equipment Directive (RED).

In accordance with Article 10.8(a) and 10.8(b) of the RED, the following table provides information on the frequency bands used and the maximum EIRP (Effective Isotropic Radiated Power) of the product for sale in the EU:

Frequency Range	Maximum EIRP
Bluetooth 2.4GHz	7.89 dBm

NCC Compliance statement (Taiwan)

取得審驗證明之低功率射頻器材，非經核准，公司、商號或使用者均不得擅自變更頻率、加大功率或變更原設計之特性及功能。

低功率射頻器材之使用不得影響飛航安全及干擾合法通信；經發現有干擾現象時，應立即停用，並改善至無干擾時方得繼續使用。

前述合法通信，指依電信管理法規定作業之無線電通信。

低功率射頻器材須忍受合法通信或工業、科學及醫療用電波輻射性電機設備之干擾。

SRRC Compliance statement (China)

2023/7/1起“使用微功率短距离无线电发射设备应当符合国家无线电管理有关规定”

Battery disposal

Consumers in European Union (EU) Member State regions are required to dispose of the batteries included with this product in accordance with the *EU Battery Directive* (2006/66/EC). The Battery Directive requires the proper waste management of batteries, including their recycling, collection, take-back programs, and disposal. The purpose of the Directive is to ensure the appropriate management of waste batteries which contain materials and chemicals that may be hazardous and present a risk to human health and / or the environment, when not handled correctly. Local authorities in many regions have established collection schemes under which residents can dispose of waste batteries at a recycling center or other collection point: www.bit.ly/rym-recycling

Product disposal

Dispose of this product only in accordance with the WEEE Directive: www.bit.ly/rym-recycling
