

Raymarine

*Before using this unit you MUST first obtain an MMSI number.
Refer to the handbook for more information.*

The following information is for customers within the USA only:

WARNING: This device must be programmed with data pertaining to the vessel in which the device is or will be installed. Programming will be carried out by your dealer or installer and instructions for verifying the programming can be found in the user manual.

WARNING: It is a violation of the rules of the Federal Communications Commission to input an MMSI that has not been properly assigned to the end user, or to otherwise input any inaccurate data into this device.
