CBSD DECLARATION

To whom it may concern,

We, Inseego Corp. hereby declare the characteristics of power level operation, under any circumstances, the UUT (FCC ID PKRISGFW2010) can register (communicate) with the SAS irrespective of UUT's power levels. However, it can only operate at one step level of the maximum EIRP as stated in the test report, after the first time being granted and authorized by SAS, it would cease transmission immediately at that channel of LTE Band 48 if there is any further request for lowering power level from SAS.
