Re: Label location for **PKRNVWMIFI4620**

The label containing the FCC ID for PKRNVWMIFI4620 is located on the main body of the device under the removable bottom cover. The label will be visible to the end user since the bottom cover will not be in place when the product is shipped. Also under the bottom cover is the SIM card that fits into the SIM slot. It too will be packaged separately, so as not to be assembled until after purchase.

The device is shown below as it will be shipped with all parts separated.

Body of MIFI4620L

Regards,

A handwritten signature in black ink, appearing to read 'K. Giddings'.
