

**FEDERAL COMMUNICATIONS COMMISSION**  
**DECLARATION OF CONFORMITY (DoC)**

Linksys Group, Inc. declares that the equipment described in this document is within the requirements of the Code of Federal Regulations listed below:

Product Name: Wireless-G Mini-PCI Module (Receiver Part)  
Model Number: WM54G

This device complies with the requirements of CFR47 Part 15 Regulation. The results of Electromagnetic Emission Evaluation are shown in the ADT Test Report No. D911217R02.

Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

The Part 15 radio device operates on a non-interference basis with other devices operation at this frequency. Any change or modification to the product not expressly approved by Linksys could void the user's authority to operate the device.
