

FEDERAL COMMUNICATIONS COMMISSION
DECLARATION OF CONFORMITY (DoC)

Linksys Group, Inc. declares that the equipment described in this document is within the requirements of the Code of Federal Regulations listed below:

Product Name: Dual-Band A+G Wireless Network PCI Adapter
Model Number: WMP55AG

This device complies with the limits for a Class B digital device pursuant to IEEE ANSI C63.4 and FCC Part 15 subpart C and E of the Rules and Regulations.

The test result has been shown in the ADT test report with numbered RF911026R01.

Operation is subject to the following two conditions:

1. This device may not cause harmful interference.
2. This device must accept any interference received, including interference that may cause undesired operation.

The Part 15 radio device operates on a non-interference basis with other devices operation at this frequency. Any change or modification to product not expressly approved by Linksys could void the user's authority to operate the device.
