

## **FCC Information**

THIS DEVICE COMPLIES WITH PART 15 OF THE FCC RULES.

OPERATION IS SUBJECT TO THE FOLLOWING TWO CONDITIONS :

- (1) THIS DEVICE MAY NOT CAUSE HARMFUL INTERFERENCE, AND
- (2) THIS DEVICE MUST ACCEPT ANY INTERFERENCE RECEIVED, INCLUDING INTERFERENCE THAT MAY CAUSE UNDESIRABLE OPERATION.

## **Safety Information For GMRS UNIT**

“Important: FCC RF Exposure Requirements:

- Operation must not exceed a maximum transmitting duty factor of 50% for satisfying RF exposure compliance.
- For body-worn operation, this radio has been tested and meets the FCC RF exposure guidelines when used with GENEX accessories supplied or designated for this product. Use of other accessories may not ensure compliance with FCC RF exposure guidelines. Use only the supplied antenna. Unauthorized antennas, modifications, or attachments could damage the transmitter and may violate FCC regulations. “

**Normal Position:** Hold the transmitter approximately 1” from your face and speak in a normal voice, with the antenna pointed up and away.

**GMRS Licensing requirements:** The Code of Federal Regulations requires the owner/operator of this equipment to hold a FCC license when operating in the GMRS mode. Operation on the GMRS frequencies is subject to additional rules as specified in 47 CFR Part 95.
