Re: Declaration for product IS-TR-241

11 December,
2002

"We, DTE Automation GmbH, Heidesstr. 38, 32051 Herford, Germany, declare that the IS-TR-241 will be marketed with the ferrites:

- DC power cable with ferrite 18 coils, Ferrite type 7427015 (Würth Elektronik)
- RS232 cable with ferrite 5 coils, Ferrite type 7427014 (Würth Elektronik)
- Control cable with ferrite 5 coils, Ferrite type 7427014 (Würth Elektronik)

fitted to the supplied cables as indicated in the test report for this product. The product must be fitted at installation to ensure compliance with the CFR 47, Part 15, Subpart C for FCC ID: PMF-IS-TR-241. Please note that the unit does not comply with Part 15, Subpart C without these ferrites installed as indicated."

Sincerely,

DTE Automation GmbH
