Dear Marianne

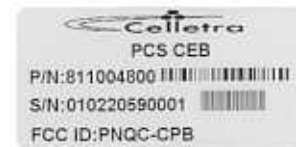

scar

Labels for project #123 58

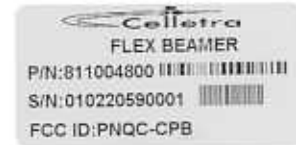

As per your request from last week attached are the labels as follows:

A) FlexBeamer (CEB) Label with FCC ID: PNQC-CPB

1. Original label with the name CEB, the same one as the label on the unit under test

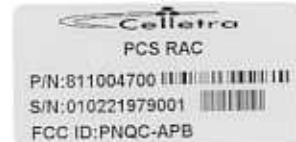

2. A new label with the FlexBeamer name, in case you can use this one instead

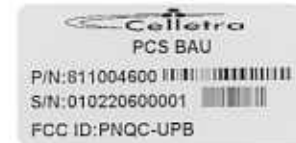

B) RAC Label with

FCC ID: PNQC-APB

C) BAU Label with

FCC ID: PNQC-UPB

Many thanks for all the cooperation we are receiving from you and all MET Team.

Best regards

Yuval
