Subject: Wisycom FCC ID: POUMTK952N-0W2U15

To Whom It May Concern:

The above referenced FCC Identifier was the result of a change in FCC ID from another of our certifications.

We wish to cancel this grant of certification due to a new frequency band we wish to have on the grant of certification with a higher output power. Once the grant is cancelled, we will reuse the FCC ID for an original filing.

We hereby declare that the device has NOT been marketed or sold in the United States or anywhere in the world with the FCC ID:

POUMTK952N-0W2U15

Thank you for your help with this matter.

Regards,

Franco Maestrelli
Managing Director
