|                   |                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                                   |
|-------------------|-------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------------|
| <p>EUT View 5</p> |  A side view of a black, rectangular electronic device, possibly a tablet or a small laptop, lying flat on a blue surface. A metal ruler is placed vertically to the left of the device, and another ruler is placed horizontally below it. The device has a small, dark, rectangular feature on its side, and a small, light-colored label with text and a logo is visible on the top edge. The ruler markings indicate the device is approximately 10 cm wide and 15 cm high. |
| <p>EUT View 6</p> |  A top view of the same black electronic device, lying flat on a blue surface. A metal ruler is placed vertically to the left of the device, and another ruler is placed horizontally below it. The device has a small, dark, rectangular feature on its top edge, and a small, light-colored label with text and a logo is visible on the bottom edge. The ruler markings indicate the device is approximately 10 cm wide and 15 cm high.                                     |
