EUT View 1

EUT View 2

EUT View 3	 A photograph showing the back of a silver Rapoo keyboard. The keyboard is rectangular with rounded corners and four small feet at the corners. A ruler is placed vertically to the left of the keyboard for scale. The background is blue. The Rapoo logo and some regulatory markings are visible on the back of the keyboard.
EUT View 4	 A photograph showing the front of a silver Rapoo keyboard. The keyboard has a standard QWERTY layout with white keys and a silver frame. A ruler is placed vertically to the left of the keyboard for scale. The background is blue. The Rapoo logo is visible on the bottom right of the keyboard.

EUT View 5	 A photograph showing a white, compact keyboard from a top-down perspective. The keyboard is positioned on a blue surface. A black ruler with white markings is placed horizontally below the keyboard, showing measurements in millimeters and centimeters. The keyboard features a standard QWERTY layout with white keys and a few darker keys for function and navigation.
EUT View 6	 A photograph showing the same white, compact keyboard from a side-on perspective. The keyboard is positioned on a blue surface. A black ruler with white markings is placed horizontally below the keyboard, showing measurements in millimeters and centimeters. This view highlights the keyboard's slim profile and the arrangement of keys on the sides.
