(2) EUT Photo

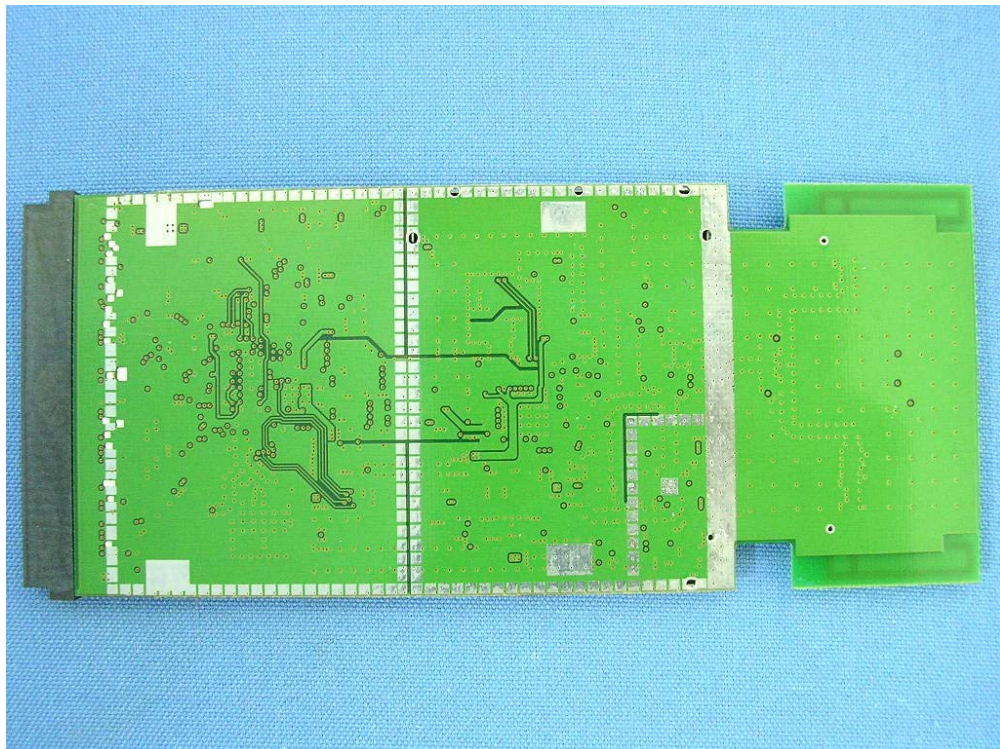

The image shows a green printed circuit board (PCB) for a mobile device, likely a smartphone. The board is populated with various components, including a central processing unit (CPU) labeled R17500F, memory modules labeled 0A45010D0, and other integrated circuits. A large silver heat spreader is mounted on the back of the PCB. The board is labeled with '41713-82103-B' and 'ACON'. The components are arranged in a compact layout, typical of mobile device PCBs. The board is shown from the back, with the components and heat spreader visible.
