

Dear Sir or Madam:

The application for FCC certification PQTDORM16 will cover 2 unique part numbers, which are electrically identical. The PCBs and software are unchanged between each. The only differences are in the plastic case containing the PCB and the number of buttons soldered on each PCB. Each PCB is equipped with 4 solder pads to accommodate the variety of button configurations.

MODEL	DESCRIPTION	Buttons
99137	KEYLESS ENTRY REMOTE	3
99138	KEYLESS ENTRY REMOTE	4

Sincerely,

Thomas J. Knoblauch
