December 17, 2018

Timco Engineering, Inc.
849 N.W. State Road 45
P.O. Box 370
Newberry, FL 32669

Subject: FCC ID: PR6BFI
IC: 12755A-BFI
Model Number: Deva IFB

To Whom It May Concern:

The PR6BFI module will be utilized in Zaxcom's products. When utilized in a production product we will be securing the screw on antenna to the SMA connector utilizing a non-removable glue I.E. epoxy. This will prevent any customer from altering the antenna gain of the PR6BFI module.

The unit supplied to Timco for testing has a SMA jack to allow the FCC required testing by the LAB.

Regards,

Glenn Sanders
