Re: Declaration Letter for Label Requirement of FCC ID:PRDMU108

We, **Acrox Technologies Co., Ltd** hereby declare that the device's label is permanently affixed inside the USB receiver compartment located on the top of the mouse. The cover of the compartment can be taken off and put back on by the end user easily without the use of any special tools. The device is sold to market with a sticker affixed to the top of the mouse as shown below to inform users how to open the compartment for viewing the label within before use.

Please do not hesitate to contact us should you have any questions, thank you!
